

Raptor Closure

March 11 through August 1, 2006
Closures will be lifted or extended as necessary

These areas are closed to public access pursuant to the authority in 16 USC 3, 36 CFR 1.5 (a)(1) and (a)(3). The purpose of this closure is to protect raptor species during the critical nesting season.

Closure Area

Alligator Rock

Named rock formations, the area extending 200 yards around the base of the named rock formations including, but not limited to, all climbing routes, outcroppings, cliffs, faces, ascent and descent routes and climber access trails to the named rock formations.

When necessary, Park Rangers will issue court citations to persons violating the terms of this closure under authority of 16 USC 3, 36 CFR 1.5 (f).
